

## The Actress in High Life: An Episode in Winter Quarters

Susan Petigru KING-BOWEN (1824 - 1875)

[LibriVox.org](http://LibriVox.org)

1812 is the year and Portugal the location for this adventure. The characters for the most part are British officers. Lord Strathern sends for his daughter Lady Mabel Stewart presently in Scotland to join him in Elvas where he has stationed his brigade for the winter. The debonair Colonel L'Isle is the hero of our story. The author provides a vivid look into the landscape, history and people of this era and often touches on liturgy...sometimes controversial among the characters. Very informative it is more travelogue than romance however.

Enjoy!!
